[For the Asheville CITIZEN. MOUNT MITCHELL HOTEL.

BLACK MOUNTAIN, N. C., Sept. 1st, '85. Messrs: Editors :- The Mount Mitchell Hotel ball room looks exquisitely grand to-night when it is full with dazzling ladies that are highly accomplished with beauty and intelligence. Your own Asheville is very well represented. The season of travel continues to be increas-ing every day. I think the arrivals to-day will compare with any day since the day will compare with any day since the opening of the summer travel. Mr. A. P. Bryan, wife and Miss Grimes from Raleigh are among the recent arrivals. Mr. Bryan stands at the head of the Express business in the South. Mr. Stepp is doing every thing in his power to render all his guests comfortable. I think there will be a heavier trayel during the present month than in the past month.

#### A RIOT IN ALMERIA

Madrid, Aug. 30.—A riot has occurred at Almeria, in Andalusia. The increasing cholera mortality having driven most of the wealthy residents from the city, a large number of poor people were deprived of employment. This desertion on the part of the rich employers incensed the laboring people, and the feeling of indignation culminated in a riotous outbreak. Many of the houses of wealthy citizens were wrecked by the mob. The soldiers were called out and in the conflicts that ensued eight persons were

STILL IN THE LEAD.

The Seven Springs Iron-Alum Mass is rapidly gaining in popularity. The sales of it are larger than ever before and still increasing. No person has ever used it without deriving unmistakable benefits therefrom. It is the best family medicine ever offered to the public, and never fails to give perfect satisfaction. At this season of the year when Cholera Mor-bus, Cholera Infantum and Diarrheea are prevalent, this valuable remedy should be kept in every house. It never fails to cure and if used in time will prevent an attack. It is guaranteed to cure in-digestion, dyspensia, headaches, chills and fevers, &c. Try it and be convinced.

And to say that we have attained to that is an untruth; but to say train No 50 for all points in the South and South that by hard work and honest dealings we have established a business in Asheville that is a source of great satisfaction to us and to

our customers, is to state "plain facts to a candid public."

In all known places in this world there are people who think that by sending their orders away from home they can get better and cheaper goods. For the benefit of such persons, we will make and cheaper goods. For the benefit of such persons, we will make the following broad assertion, viz.:

## 5 CENTLAWNS That we can duplicate any bill in our line, bought by parties outside the trade;

when freights and drayage are counted in; and in most cases that have come under our observation we have been able to save the purchaser from 5 to 10 per cent.

Then there are other parties who will order from New York a barrel of Sugar and box of Tea, and when out go to their grocer we keep on hand a fine lot of and buy 5 to 10 lbs. sugar and 1-4 lb. tea, and because they do not get them at same prices as they paid in New York by the Billiard and Pool Tables barrel or box, will say that they can't pay such prices, and make another order and pay more than they would have to pay at home. Turks Island salt won't save such people.

We are glad to state that there are but few such people of Brunswick, Balke & Co.'s make. Asheville, and that the great majority were quick to see that it was to their interest to buy at home. Not only the people of Asheville, but of all Western North Carolina, are availing themselves of the advantages offered by us in the way of
